MILANO

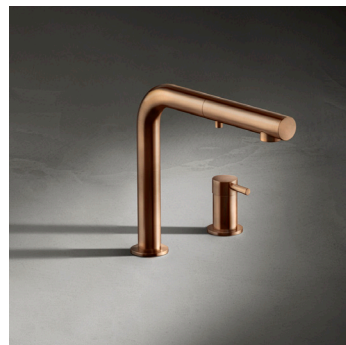

## NEMO HD

- The all new Nemo HD completes the Nemo product range with a version with pull out hand shower.
- Ergonomic dual spray pull out for aerated or spray pattern.
- Holding the hand spray as shown in the last image it is possible to switch the water pattern with the index finger while directing water flow.
- Solid stainless steel, hand polished to Matte or Polished as well as in Black Steel, Titanium, Rose Gold and Yellow Gold.
- AISI316 marine grade stainless steel: the best choice for indoor and outdoor installation.
- Heavy duty braided stainless steel flexible hose.
- Compact dimensions, ideal both for your main kitchen sink and for bar sinks.
- US version flow rate restricted to 1.8 GPM.
